

dai::FactorGraph

```
graph BT; dai::CobwebGraph --> dai::FactorGraph; dai::RegionGraph --> dai::FactorGraph;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'dai::FactorGraph'. Below it, a horizontal line connects two boxes: 'dai::CobwebGraph' on the left and 'dai::RegionGraph' on the right. A vertical arrow points upwards from the center of this horizontal line to the bottom of the 'dai::FactorGraph' box, indicating that both 'dai::CobwebGraph' and 'dai::RegionGraph' inherit from 'dai::FactorGraph'.
